TxDOT Outer Loop meeting set for Jan. 31

From staff reports

The Herald-Zeitung

Published January 6, 2008

The Texas Department of Transportation will conduct an open house to provide information regarding the New Braunfels Outer Loop Study on Jan. 31 from 5:30 p.m. to 8:30 p.m at Canyon High School in New Braunfels.

Last June, TxDOT and a group of consultants unveiled a preliminary plan for a proposed 40-mile loop around the city of New Braunfels that would encompass Comal and Guadalupe counties.

Hundreds of residents and concerned property owners who are worried that the loop will swallow up their land attended public meetings last fall.

A study has been done on the proposal that sought to

- Identify a corridor for right of way preservation.
- Identify portions of the loop which could be constructed as stand alone projects.
- Follow National Environmental Policy Act guidelines to ensure information that is collected can be used for the development of future environmental documents for the segments of independent utility.

At the meeting, the public will be able to view the study's need and purpose, environmental constraints, the alternative screening process and the recommended corridor for the proposed loop.

TxDOT will present the recommendation to the cities of New Braunfels and Schertz, as well as Comal and Guadalupe Counties in February.
