## Outer Loop meeting set for Monday

### [From staff reports](#)

The Herald-Zeitung

Published June 24, 2007

The first of two public meetings for the New Braunfels Outer Loop study will take place at 6 p.m. Monday at Canyon High School.

The Texas Department of Transportation and a San Antonio-based consulting firm are sponsoring the meetings to conduct the necessary planning and analysis needed to identify a corridor for the possible development of a New Braunfels Outer Loop.

The outer loop study area is approximately a 40-mile band around the City of New Braunfels that encompasses portions of Comal and Guadalupe Counties. The outer loop could require at least two new crossings over the Guadalupe River and could connect to IH 35 on the north side of New Braunfels and to IH 35 on the south side of the city.

At the meetings, the public will have the opportunity to comment and identify any possible concerns with the construction of the loop.

The public meetings will consist of an open house from 6-6:30 p.m., a study overview presentation from 6:30-7:00 p.m., small group discussions from 7-7:45 p.m., and small group reports from 7:45- 8:00 p.m., followed by a question and answer session from 8-8:30 p.m.

Monday's meeting will be focused on the east side of IH 35. The second meeting, which will focus on the west side of IH 35, is set for Wednesday at Hoffman Elementary School.
